Women and Rob Their House.

NEWARK. N. J., March 11.—Superintendent of Police Brown has in custody three of the lour men who made a carring but unsuccessful attempt in broad daylight yesteristy afternoon to burglarize the house of John Wood, at 38 Grove street. The men were apprehended this morning. Supt. Brown declined to state their names to an "Evening World" reporter, "for prudential reasons," At the opening the bears continued their raids on the industrials.

Rival His Slater.

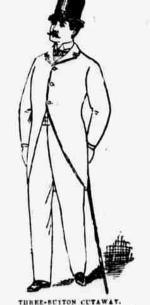

This cost should be worn with a vest twenty-five and a half inches long in front, which is slanted towards the front from the hips. The opening should be fifteen inches long from the back centre of the collar, straight creased, and notched in the lapels. It may be double-breasted, if the wearer prefer, and that style will be popular with athletic men possessing good chests. Then it should be twenty-six inches long, lapels decidedly peaked; three or four buttons.

Trousers should be straight from thigh to foot, with a width of eighteen and a half or nineteen inches at the knee, and seventeen to cighteen inches at the bottom.

The suit may be made of chevior, thiset or soft woollens, in black or the start was the vest way he of some contents.

thibet or soft woollens, in black brown, and the vest may be of far silk or marseilles; the trousers may in lighter colors.

THREE-BUITON CUTAWAY. The four-button cutaway frock coat r 1893 should hide the vest completely, hile the coat with but a single button ould be cut away so as to show five For business men there are the one,

Vile cod-liver oil has lost its vileness in Scott's Emulsion and gained a good deal in efficiency.

It is broken up into tiny drops which are covered with glycerine, just as quinine in pills is coated with sugar or gelatine. You do not get of the Aldermen. the taste at all.

with a variation in rounded corners. Of course, the square contered double-breasted sack coat will have its wearers as well.

Business vests will always be single-breasted, with five or six buttons, and twenty-six inches long. They muy have no collar at ail, if the wearer prefer.

Business trousers will be twenty inches wide at the knee and seventeen and a hait to eighteen inches at the bottom.

There is little change in evening dress, the peaked lapel and the shawl roll coat will abound about equally, the former being most popular with elderly men, the latter with the juniors. They will be worn in thibets, cheviots and worsted. The first will be famed, the second tolerated, the third popular, but the new thing is "Oxford mixture." It is a dark gray, makes a fine appearance under the electric lights, and bids fair to be the thing with the real swells. The peaked-lapelled claw-hammer coat should be just full enough for the edges to meet in front when urged; waits seam should stand downward to wards the front; the collar should roll to within five inches of the waist seam should be made the should be well cut away, leaving rather seant skirts. The "shawl roll" should roll to within five inches of the waist seam.

Dress vests should be of the same material as the coat and trousers, or may be of brocaded or embassed or embroidered slik, and may be single or the best of the same between the coat and trousers, or may be of brocaded or embassed or embroidered slik, and may be single or the best of the same between the coat and trousers, or may be of brocaded or embassed or embroidered slik, and may be single or the best of the same between the coat and trousers, or may be of brocaded or embassed or embroidered slik, and may be single or the best of the same between the coat and trousers, or may be of brocaded or embassed or embroidered slik, and may be single or the same between the coat and trousers, or four between the coat and trousers, or may be of brocaded or embassed or embroidered slik, and may be coat and trou

THE CAT FOUGHT HARD.

Coachman Brennan's Desperate Fight with a Stray Animal.

FLUSHING, L. L., March 11 .- Lawrence Brennan, coachman for Ur. J. Lawrence Hicks, of Flushing, is suffering from a badly torn and seriously inflamed right hand, the result of an encounter Wednesday night with an infuriated cat that had made its bed in a blanket in the loft of the stable. It was a large gray animal a stranger to 1801 of John B Rausiey, the wealthy but

the place, and when Brennan essayed to pick eccentric Cincinnatt confectioner, to Miss up the blanket the cat sprang at him, bury- Edith Speer, daughter of inventor Edward D. ing its sherp teeth in the fleshy part of the Speer, of 40 Marion street, this city, seem band. It hung on, and Brennan was obliged endless. The Circuit Court of Cincinnati has to fairly tear the cat away. The cat aprang just sustained the judgment of the lower at aim again, and he seized a bale stick, court annulling the marriage, on the ground Then for twenty minutes the nattle raged, that hausley was mentally incompetent, the man finally cruebleg in the cat's skull red now the mother and sister of Rausley

the man finally crushing in the cat's skull with the stick. But Brennan was completely exhausted, and is still very ill, while his hand is terribly swollen and indamed, and blood-poisoning is feared.

Fight for the Bay Ridge Ferry.

The Phornix Labor Club of New York has adopted resolutions protesting against the abolition of the Bay Ridge Ferry by the Board of Aldermen, because "the ferry and railroad connecting with it is the most convenient, quickest and cheapest method of reaching the matter before the Central Lator Union, which will be asked to make the same request of the Aldermen.
